

# LEAVE NO TRACE

## LNT Y2

Leave No Trace is a nationally recognized outdoor skills and ethics awareness program that teaches us how to treat the environment. Leave No Trace is not just a simple program for visiting the outdoors; it is a way of life—and learning Leave No Trace concepts begins at home. The principles apply at home, in our neighborhoods, and in our local parks as much as in the backcountry. We should all practice Leave No Trace in our thinking and actions, wherever we go.

**"The senior patrol leader may appoint a Scout, 14 years or older who has successfully completed the official 16-hour Leave No Trace Trainer training course, to serve as the troop Leave No Trace Trainer."**
