

Gray Owl District  
Venturing Roundtable  
2007 - 2008

VENTURING · BSA

Gray Owl Venturing Roundtable is changing.  
We are now the VOA  
or  
Venturing Officers Association.

So what is VOA?

Well the name is the definition. The Venturing Crew officers will be the members, and organizers of the group. This meeting will be run by the crew officers. Adults will participate as resources or consultants.

The VOA members can chart their own course and decide what they want to do. However, the intent is to provide a place to try to collaborate, share ideas, and coordinate district level Venturing events.

We encourage (and need) officers and members of all crews to attend. Come and see what's happening in Venturing in our area. Come and add your ideas so we will be filling your needs.

Contact VOA Advisor, Bob Fries for information or questions.

VOA/Roundtable is held on the first Thursday of every month, at First Christian Church of  
Garland  
115 South Glenbrook Dr. (Corner of Glenbrook and Ave. A) Fellowship Hall on South side of  
building.
